

ARLINGTON HEIGHTS SCHOOL DISTRICT 25 SCIENCE DEPARTMENT
1200 South Dunton Avenue
Arlington Heights, Illinois 60005

For the sake of the safety of your child and the other students around them, several safety rules will need to be followed at all times during science labs. Students cannot participate in these labs until they and their parent or guardian have accepted and agreed to the following rules and conditions.

#1 Enter the room calmly and quietly and sit in your assigned seat.

#2 Listen to, and follow, directions carefully.

#3 Wait until after directions to touch the equipment.

#4 Do the lab as directed. Conduct yourself in a responsible manner at all times.

#5 Treat all food related items as if they are lab chemicals.

#6 Keep the work area clean.

#7 Put all of the equipment away as directed at the end of the lab.

#8 Wear safety goggles, and take other necessary precautions, when directed to by the teacher.

#9 Report all accidents to the teacher.

#10 Know the location of first aid and fire safety equipment.

I have read the safety rules above and agree to follow them. I also understand that violating these rules may result in removal from class and /or the loss of credit for the lab. I further accept that repeated violations may permanently limit my participation in lab activities. Finally I accept that these penalties may come without any further warnings. I understand that it is my responsibility to pay for the replacement of the damaged equipment, if violations of these rules cause damage to any lab equipment.

Student Signature _____ Date _____

Class Period _____ Section Number: _____

I have read these rules and the conditions above and discussed them with my child. We both fully understand and accept them.

Parent or Guardian Signature _____ Date _____
